have you been wondering as a christian or non christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future and with all the events taking place in the middle east especially israel and iran are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the left behind series televangelists preachers and others speaking of a great tribulation rapture armageddon apocalypse the destruction of the earth a new heaven and earth a second coming

and a millennium there has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the hebrew and greek and information based on compelling evidence would you like to know what the bible actually says about all these issues for god s word itself let scripture interpret scripture and the holy spirit are the only necessary interpreters the last days are left behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of god author james ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the bible s prophetic passages and verses the original languages hebrew and greek the social cultural and historical context of scripture and the relevance of the audience spoken or written to in god s word

it s not enough to just know we re living in the last days the point is to do something about it we are to take this prophetic information and redeem the time by living for jesus and telling as many people as we can about him so they can be saved before it s too late time is simply running out the problem is most christians are distracted disinterested or flat out apathetic making no difference for jesus in these last days on top of that their countenance is a bad walking advertisement for jesus therefore this book the christian s guide to living in the last days vol 2 seeks to equip you the reader with pivotal keys that are absolutely crucial if we re ever going to have that life changing walk with jesus in these final hours here you will learn such insights as the dangers of a misplaced mind the dangers of a misplaced lifestyle focus attitude behavior understanding and posture turn your walk and witness around for jesus before it s too late

this award winning book examines the foundation of bible prophecy brought forward from the old testament to the new the message for the last days is a comprehensive look back to the foundation of god s word as it secures the reality of the gospel the future is revealed by understanding the past

signposts of the last days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner remember that when jesus came the first time all but two people were looking for a different kind of messiah than the one they got instead you will find the biblical basis for twelve predicted events of the last days this book is written to review some of the available passages concerning these events that will lead to the end of the last days and how they relate to each other they are arranged in the order they are expected to happen it also is designed to relate coming events to the past times in which god has presented himself to the world using different people this is your opportunity to separate the modern day scenarios seemingly written for hollywood from what we might realistically expect should we be alive to see it all unfold please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around

analyzes what jesus said about when he would return and the last days would arrive as in matthew 24 34 defends the trustworthiness of jesus teachings

a detailed account of the voyage of the german ships germania and hansa the wreck of the hansa in the ice sled journeys and observations of natural phenomena in greenland
